The Organising Committee put a lot of extra effort into this years Rally, having taken note of the many comments received from previous entrants. Judging from the early response we have received following the Rally, it does appear that the 75th anniversary of the event will be remembered as a truly challenging, highly successful and most enjoyable rally, despite the poor weather that many riders had to endure.

We do value your comments and you can now do this by visiting the website, www.nationalroadrally.co.uk where we have established forums to enable you to discuss and comment on –line.

Can we also say a big thank you to all of the entrants who rode and raised money for Mencap thereby helping people of all ages throughout the UK with learning

disabilities. Over the years you have done much to support Mencap aims and we are very grateful.

The finish at Bletchley Park was very successful and we would place on record our sincere thanks to all the staff and our hard working team together with the vast number of volunteers who manned the 50 Controls and the Special Tests at MIRA. Without the dedication and hard work freely given by all these enthusiasts, there would be no Rally, and we are sure you will join us in thanking them all for their support.

The Interphone Special Offer to entrants is still available and we would like to place on record our sincere thanks for their support of the 2008 Rally

Plans for the 2009 Rally are being made so please keep an eye on the Rally website and in the press for further information. Thank you for your entry and we look forward to seeing you next year.

The Interphone National Road Rally Organising Committee.
